

Look of Leather™ Technical Information

- For use on Book Components.
- Can be used on all cover stock (10pt, 12pt, Type II, etc.) and 100#. Cannot be used on 80#.
- Must be used in conjunction with any matte film lamination, but only matte film lamination.
- Patterns are an all over pattern (similar to a post emboss) and are a stock die (no charge) if not a custom die as described below.
- Any changes, knock outs, custom patterns, or books larger than 8.5 X 11 will be assessed custom die charges.
- Can be combined with embossing in custom patterns, but embossing will not be a very deep emboss or the Look of Leather™ effect will be lost.
- Effect should be kept out of turns.
- Can be used with foils.

Contact your Lehigh Phoenix Sales Executive for further details regarding limitations and proper usage.
